

Michigan Works! Conference attended by AGS

September 9th-11th, 2018

Grand Rapids, MI

For the tenth year, AGS staff attended the Michigan Works! Conference. Staff spent time engaging with long-standing Michigan customers, and informing non-customers of the products and features available through G*STARS. Staff gave demos, provided information sheets, networked within the industry, and planned for the future. AGS has a longstanding relationship with Michigan workforce boards and community colleges, serving over 50% of the labor force.
